

**Salamanders on the Move** - Come to Holly Hill Farm to learn about the fascinating life in a vernal pool and join us as we carefully observe the annual trek of salamanders into vernal pools for their mating season. Temperature and weather play an important part in the timing of the salamanders' move to vernal pools so we have been waiting for the right evening to schedule this event. Join us THIS Friday March 23 from 7-8:30 pm. All ages are welcome, but sorry, dogs are not invited on this walk as we need to be very still and quiet to not disturb the salamanders. Holly Hill Farm is located at 236 Jerusalem Road, Cohasset. For directions and more information, visit [www.hollyhillfarm.org](http://www.hollyhillfarm.org). Please call 781-383-6565 to check on the date and to pre-register. Fee: \$5 for members of the *Friends of Holly Hill Farm*, max \$15 per family / \$8 for non-members, max \$24 per family.
