

Gluten Conscious Menu

This menu is designed to help students who may have sensitivity to Gluten. It is not designed for students with Celiac Disease or a Food Allergy's to Wheat or Gluten products which can be life threatening. Our Food Service Team has participated in Allergy Awareness training and strives to do their best in preventing cross contamination but we cannot guarantee it. Students with Celiac Disease should work with their medical provider and follow instructions from their doctor in collaboration with the school nurse.

Students whom want to purchase these lunch offerings must inform the school nurse the morning of, (by 9am) the day they plan on purchasing a lunch.
