

School Committee's Goals – 2020-2021

Goal(s)	Description	Did Not Meet	Some Progress	Significant Progress	Met	Exceeded
District Improvement						
1	The Scituate School Committee will support the health, safety and academic needs of all students and staff during the 20/21 COVID 19 pandemic learning environment as evidenced by weekly monitoring of the effectiveness of the Safe and Strong Reopening Plan. The foundation is to create a safe physical learning environment in order to maximize in person learning while ensuring the safety of all students and staff.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2	The Scituate School Committee commits to creating a safe and inclusive environment for all students to learn which will allow them to reach their fullest potential. The committee supports the efforts of our administration and staff to create physically and culturally inviting learning environments that are paramount to our district. The Scituate School Committee commits to fostering systemic changes within our schools by approving policies and funding to ensure staff and students are equipped with the tools and resources for culturally competent teaching and learning.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3	The Scituate School Committee is committed to providing staff and students with a healthy environment to learn and grow. We will accomplish this by working with staff and families to receive feedback on the level of school work being completed outside of structured class time. The Committee will work with the district to set guidelines that will ensure a rigorous education and also provide students with a healthy work/life balance.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
